## EASY TO ASSEMBLE

**Long Sides**  
Assemble with legs folded outwards

**Short Sides**  
Assemble with fold inwards

Interlock each panel together  
alternating short and long sides

**Base Plates**  
Butt together with fold upwards  
and tabs together at the same  
side. Insert the tabs into anyone  
of the holes at the bottom of  
the long side. Load with wood  
and ignite.

**Rods**  
Pop the rods through the square  
holes at the top and you're  
ready to pop the billy or camp  
oven on!
