

SCREENS & SIGNS

CREATE UNIQUE SPACES

Creating a modern look to your home, garden or workspace, our privacy screens and signage add a touch of style to any space.

Whether you're wanting a natural rust look or a sealed painted finish, we can show you examples and discuss all options available to create a unique screen or sign for your space.

Prices will vary depending on materials, designs and sizes. Please email us your requested dimensions, material and design ideas for a quote.
