

Easy BURN

FLAT PACK FIREPIT

Established in 2011, the Easy Burn is the perfect portable firepit for camping or a 'pop-up' firepit for your backyard

AUSTRALIAN MADE

2mm Australian steel
Includes canvas carry bag and two rods to pop a camp oven or billy on

TWO DESIGNS

Aussie Bush Gumnut & Kangaroo
Southern Land Southern Cross & Wave

TWO SIZES

STANDARD 6-SIDED \$160

450mm high x 400mm diameter
450mm x 250mm (packed in bag)

X-LARGE 8-SIDED \$230

450mm high x 520mm diameter
450mm x 250mm (packed in bag)

EXPANSION PACK \$80

Gives you the option of both sizes!
Includes two extra sides plus a bigger base

BAG INCLUDED!

EASY ASSEMBLY

Long Sides
Start assembly with legs folded outwards

Short Sides
Assemble with fold inwards (which supports the base)

Interlock each panel together
alternating short and long sides

Base Plates
Butt together with fold upwards and tabs together at the same side. Insert the tabs into any one of the holes at the bottom of the long side.

Rods
Pop the rods through the square holes at the top and you're ready to pop on the billy or camp oven!
